

# Summer 2024 ATV/UTV Safety

## ATV/UTV SAFETY TIPS – HELMETS

- Never consume alcohol or drugs before or during UTV/ATV operation. Consuming alcohol or drugs is a factor in more than 40 percent of ATV-related fatalities. 
- Wear a helmet! It could save your life. 
- Travel at a speed appropriate for the terrain, visibility condition, and your experience. 
- Wear protective clothing including eye protection, boots, gloves, helmet, long pants, and a long sleeved shirt or jacket.  
- All ATV safety certified operators age 12-15 must also be accompanied by an adult while operating on a designated ATV Route except for operation for agricultural purposes.

*Wear your helmet  
while you ride  
responsibly, under  
control, and sober and  
you will ride for life.*
