

- **Never consume alcohol or drugs before or during UTV/ATV operation. Consuming alcohol or drugs is a factor in**

More than 40 percent of ATV-related fatalities.

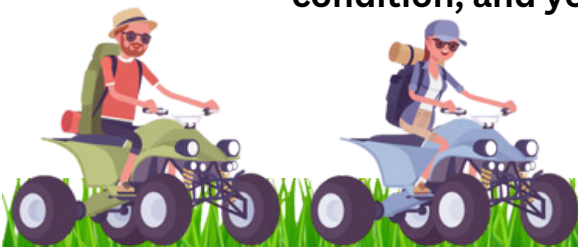

- **Wear a helmet**

Wearing a helmet reduces the possibility of a brain injury by 85%

Helmets must be approved by U.S. Department of Transportation (DOT)

- **Travel at a speed appropriate for the terrain, visibility condition, and your experience.**

- **Drive with a partner**
- **Supervise young drivers**

Join the Conversation. Improve Our Health.

The Juneau County Health Department wants to hear from you! We're asking community members to share what's important to them through a short survey. Your feedback will help shape local health programs and services for the next five years. The survey takes about 15 minutes. Your answers are confidential and private, and only group results will be shared. Everyone who completes the survey will be entered for a chance to win a \$50 gift card!

Take the survey online: <https://www.surveymonkey.com/r/CHA25>

Need a paper or Spanish copy? Call us at 608-847-9373.

Survey closed September 1st.

Together, we can build a healthier Juneau County—one voice at a time.
